Dear Parents/Guardians,

## 1. Second Term Examination Arrangements

The Second Term Examination will take place from 4<sup>th</sup> June (Thu) to 18<sup>th</sup> June (Thu). Details of the examination arrangements are shown in Attachments. Please encourage your child to be well-prepared in order to obtain the best results. Furthermore, please pay attention to the following items:

- 1.1 Students are required to tap their student ID cards before 8:00 a.m., otherwise they will be considered late.
- 1.2 Students must go directly to the examination rooms once they arrive at school for quiet revision. They must keep silent while waiting for the examination to commence.
- 1.3 In the event that any student has forgotten to bring their student ID card, that student needs to bring his/her student handbook to Room 207 to verify his/her identity. Under these circumstances, the examination WILL NOT be delayed and the student will not be given extra time for the examination.
- 1.4 Regarding absence or lateness without reason; 0 marks may be given for that subject.
- 1.5 Before the commencement of an examination, students are reminded to take the battery from their mobile phones (if possible) to ensure that no sound will be emitted. The alarm function of the mobile phone or any devices with an alarm function (including electronic watches) should not be in stand-by mode. You may be subject to a penalty according to the school regulations if your mobile phone or the alarm rings during an examination.
- 1.6 If the child cannot attend an examination because of illness or any special reasons, the parent must apply for leave to the School by phone call on that morning. Only after the student carries out the leave application procedures upon his/her return to school (and presentation of a medical certificate for sick leave to Mr. Ko, the Vice Dean of Studies, at Room 301), will special arrangements for the examination be considered.
- 1.7 Special arrangements for the absence will be considered only if the student approaches Mr. Ko at Room 301 by 28<sup>th</sup> May (Thu).
- 1.8 If the Education Bureau announces suspension of classes because of adverse weather conditions, all the examinations scheduled for that day will be rearranged. Please visit the School website: <http://www.lss.edu.hk> for detailed information of arrangements.
- 1.9 If a student is absent from the lessons of a particular subject for over one-eighth of the total lessons (including sick leave and casual leave) in each term, he/she will not be allowed to attend the examination and 0 marks will be given for that subject (except for students who receive exemption approval from the Principal in advance).
- 1.10 Please refer to P.14-15 of the student handbook for other examination regulations.
- 1.11 Promotion requirements
  - 1.11.1 S.1 to S.3 students will not be allowed to be promoted if they cannot achieve a pass in the overall results of Chinese, English and Maths; or their Conduct has been determined to be unsatisfactory.
  - 1.11.2 S.4 to S.5 students will not be allowed to be promoted if they cannot achieve a pass in the overall results of Chinese, English, Maths, Citizenship and Social Development; or their Conduct has been determined to be unsatisfactory.
  - 1.11.3 For details, please refer to P.15 of the student handbook.
- 1.12 In case of school suspension due to weather conditions, the examination will be postponed to the morning of 13<sup>th</sup> June (Sat) or 20<sup>th</sup> June (Sat). Please refer to the details on the school website.

Should you have any enquiries, please contact Mr. Ko, the Deputy Head of the Academic Affairs Committee, at 27802291.

2. **Tidying up Personal Belongings before the Examination Period**

During the second term examinations, the classrooms will be used as different examination venues. In order not to disturb other students sitting examinations, no students are allowed to return to their classrooms and their lockers to retrieve their personal belongings during the examination period. Students need to take all of their textbooks, exercise books, notes etc. home for the purposes of revision before 4<sup>th</sup> June (Thu). In case any personal belongings are found in the examination venues, they will be passed to their class teachers. Should you have any enquiries, please contact Ms. Ho, the Head of the Discipline Committee.

Please submit the reply slip to the class teacher by 11/5 (Mon).

Yours faithfully,

Mr. Liang Kwun Fan  
Principal
