Dear Parents/Guardians,

1 Hyread e-book reading platform

To encourage reading, enrich students' knowledge and increase the self-learning ability of students, the school has launched a reading platform which consists of a wide variety of e-books, including fiction, famous works and leisure reading materials, covering science, social sciences, language, religion, social relationships, and a range of other topics. Students can access the platform (through Android, IOS and website) to read the books. Please see Attachment 1 for details.

Should you have any enquiries, please contact Ms. Au Yeung, Teacher Librarian, at 2780 2291.

2 S3 Senior Secondary Subject Opinion Collection (Applicable to S3)

The school has arranged three categories of subjects for senior forms, including DSE elective subjects (Category A) and applied learning subjects (Category B). In order to provide a suitable medium of instruction and appropriate elective subjects to your child for their senior secondary study, our School will conduct an 'Elective subjects opinion survey' for S3 students (S4 in 2024-2025). This will enable the school to provide a clear bridge between the junior and senior syllabus with explicit curriculum links between the two. In completing the survey form (distributed by class teachers), please consider your child's Chinese and English ability, academic results (e.g. the Unified Test of the first term) and their learning interests. The completed survey form should be returned to the class teacher on or before Wednesday, 15th November for collection. After taking into consideration each student's English ability, academic results in relevant subjects and the number of enrolments, the school will make the most appropriate and optimal arrangements.

Should you have any enquiries, please contact Ms. Fuk Ka Man, the person-in-charge or Ms. Chan, the Vice Principal.
