(Reply Slip) Parent's Notice 24012 'Combined Notices' (eNotice)

[Submit the Reply Slip to class teacher by 14/10]

Dear Principal,

I have read and understood the information in this notice.

Student's Name: _____

Parent's Signature: _____

Class: _____ ()

Parent's Name: _____

Arrangements for 2024-2025 Student Grant

To help alleviate the financial burden of educational expenses on parents, a one-off student grant of \$2,500 was provided in the 2019/20 school year for each secondary day-school, primary school and kindergarten student. Starting from the 2023/24 school year, EDB will introduce electronic submission of student grant applications (e-submission). To cater for the needs of individual parents, apart from making e-submission, parents can still choose to return the completed paper application form to schools for onward submission. However, only one application, either in electronic form (e-form) or paper form, can be submitted for each eligible student.

1. E-submission

The e-submission have been completed on 2nd October (Wed). Parents who have applied online **do not** need to use paper applications.

2. Paper Applications

The Paper Applications will start from 9th October (Wed). Parents are accepted to use the paper submission if you **don't submit online**. The 'Student Grant' Paper Application distributes together with the parent notice. There are two forms: Form A and Form B: **Form A** is a blank form (**applicable to students who have been newly admitted to a school in this school year or have transferred to another school**). Parents are reminded to refer to the reference on the QR Code below when filling in the application form.

2.2 **Form B** is pre-printed with the basic information of the student as well as that of the applicant (**applicable to students who have been promoted to the next class level in the same school**). In general, parents are only required to check the accuracy of the pre-printed information, by putting a '✓' in the confirmation box at the bottom part of the form and signing to confirm if there is no change in the information pre-printed. If some of the pre-printed information on **Form B** requires updating (information other than Student's Name in English, Name of Day-school and School Level), parents have to provide the amendment(s) in the space above the relevant information in BLOCK letters using **black or blue ball pen, and leave the confirmation box blank**.

2.2.1 If **Student's Name in English, Name of Day-school or School Level** pre-printed on **Form B** requires amendment, parents of the students concerned should use Form A for application.

2.3 Remarks:

2.3.1 Parents are required to provide full information of their bank account. Parents should refer to the Parent Notice 24005 Attachment 2 for the 'Common Bank Code List'. In case of doubt, you may check your bank account.

2.3.2 Parents should read carefully the 'Notes to Complete this Form' and the 'Declaration' before completing the 'Student Grant' Application Form.
