Dear Parents/Guardians,

1. **2025 Watoto Children's Choir Asia Tour Concert**

Our school, in collaboration with the ELCHK Truth Church, will hold the "2025 Watoto Children's Choir Asia Tour Concert" on 7th November (Fri). Below are the details of the event:

1.1 Introduction of Watoto

In a time of civil war, Watoto planted a local church in Kampala, Uganda to speak hope and life to the nation.

'Since 1994, we've rescued babies, former child soldiers, and orphaned children and raised them in families. And we've empowered thousands of vulnerable women to impact their communities. Each year, we send children's choir across six continents to share stories of transformation with God in their lives, as a leadership training for our children.

Currently, we are caring for over 3,500 orphans and abandoned babies, who are growing healthily in loving families, in the three Watoto Villages located in Kampala and Gulu.'

1.4 Watoto Fundraising Sale

From Watoto Regarding the Fundraising Sale:

'We sincerely thank you for your support of Watoto Child Care Ministries. Currently, there are over 2.5 million orphans in Uganda suffering daily from hunger, disease, and lack of care. Watoto aims to address the needs of orphans and widows. We not only provide food, education, and medical care but also nurture them to become future community leaders, enabling them to use their skills to rebuild their nation.

Even during economically challenging times, Watoto remains committed to caring for over 3,500 orphans and babies, nearly 360 widows, and supporting over 1,500 community women and their children, because we firmly believe every life deserves a bright future. It is precisely because of your support that orphans and widows in Uganda are given the opportunity for life transformation. However, transforming lives is a long-term mission that requires more people to participate. We sincerely invite you to join us on this journey.

This year, we have collaborated with local illustrator "CinGaryee" to design two products featuring messages of gratitude and hope for the fundraising sale, hoping to also encourage students to face challenges positively. Another product is a hand-carved animal pen, which is both exquisite and practical. For just HK\$30-40 per item, you can participate in rewriting the life stories of orphans and widows. We hope for your support to practice the true meaning of "It is more blessed to give than to receive," allowing the choir to spread the message of love and hope throughout Hong Kong's schools and communities.'
