Dear Parents,

1 Electronic distribution of learning materials for S1 to S5 to replace on campus collection

The original S1 to S5 arrangement of returning to school to collect learning materials will be replaced with an electronic distribution process. In view of the rapidly worsening pandemic situation, the Education Bureau announced yesterday that online classes will be extended until 6th March. The arrangement for the collection of learning materials (scheduled for 19th February for S1 to S5), has been cancelled. Teachers will instead distribute these materials to students electronically. If you need to return documents or files to the School, please call the school office first so that arrangement can be made. Should you have any enquiries, please contact Ms. Chan, the Vice Principal at 27802291.

2 S1 Discretionary Places Interview Day - 2022/2023

Our School has served the local district in education since 1958 and has been a highly regarded community institution. Five Form 1 classes will be formed in 2022/23. We received a total of 327 applications before the deadline (17th January), to vie for the 50 available discretionary places. An online interview for all the applicants is scheduled for 26th February (Sat). Should you have any enquiries, please contact Ms. Chan, the Vice Principal.
