Dear Parents,

S3 Second Term Final Exam Arrangements

The S3 Second Term Final Examination will take place from 20th June to 30th June. Details of the arrangements are shown in Attachments 1 and 2. Please remind your child to prepare well to achieve good results. Furthermore, please pay attention to the following items:

- 1 Students are required to tap their student ID cards before 8 a.m., otherwise they will be considered late.
- 2 Students must go directly to the examination rooms once they arrive at school for quiet revision. They must remain silent while waiting for the examination to commence.
- 3 In the event that any student has forgotten to bring their student ID card, that student needs to bring his/her student handbook to Room 207 to verify his/her identity. Under these circumstances, the exam WILL NOT be delayed and the student will not be given extra time to complete that exam.
- 4 Regarding absence or lateness without reason; 0 marks may be given for that subject.
- 5 If a student cannot attend any exam because of illness or any special reason, their parent must apply to the School for leave by calling the general office on that morning. Only after he/she carries out the leave application procedures upon his or her return to school (and presentation of a medical certificate for sick leave to Mr. Ko, the Vice Dean of Studies, at Room 301), will special arrangements for the exam be considered. Special arrangements for any absence will be considered only if the student approaches Mr. Ko at Room 301 by **15th June**.
- 6 If the Education Bureau announces suspension of classes because of adverse weather conditions, all exams scheduled for that day will be rearranged. Please visit the School website: <http://www.lss.edu.hk> for detailed information about the arrangements.
- 7 If a student is absent from the lessons of a particular subject for over one-eighth of the total lessons (including sick leave and casual leave) in each term, s/he will not be allowed to attend the exam and 0 marks will be given for that subject. This does not include students who receive exemption approval from the Principal in advance.
- 8 Please refer to P.15-16 of the student handbook for other exam regulations.
- 9 Requirements for promotion to the next Form level
 - 9.1 Promotion will not be granted if a student cannot achieve a pass in the overall results of Chinese, English and Maths; or if their Conduct has been deemed to be unsatisfactory.
 - 9.2 For details, please refer to P.16 of the student handbook.

Should you have any enquiries, please contact Mr. Ko, the Vice Dean of Studies at 27802291.

Parents please ask your child to submit the reply slip to the class teacher by 30th May (Mon).

Yours faithfully,

Mr. Liang Kwun Fan
